Updating Local Church Information (Church Profile) Accessing Charge Conference Reports

Every church is expected to have an updated profile on record. The profile is completed online and should be done annually. **No printed/hard copies need be submitted to the district office.**

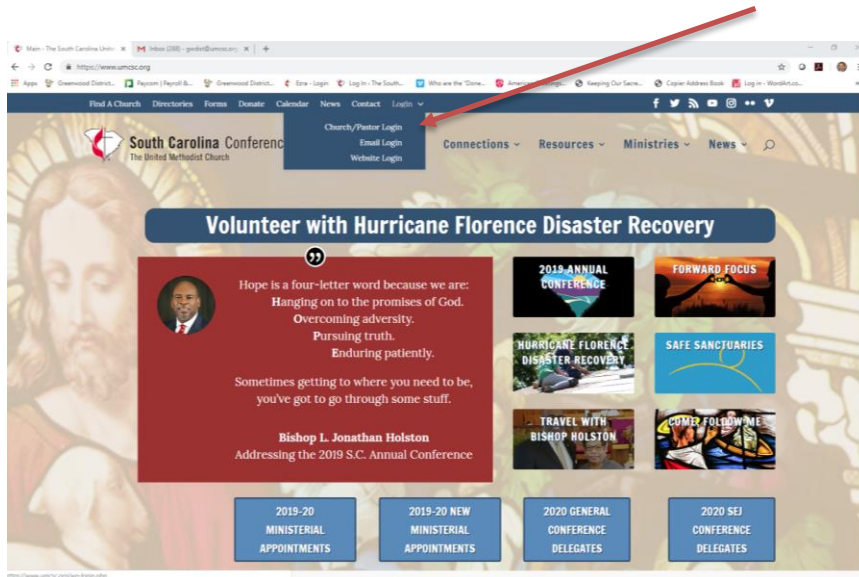

Follow the directions printed below for accessing and creating/updating a church's profile.

The deadline for updating church profiles is December 13. *Reminders will be made via email, in the newsletters, and online (district web page, district calendar, Facebook, Twitter, LinkedIn, and email).* No notices will be sent via USPS.

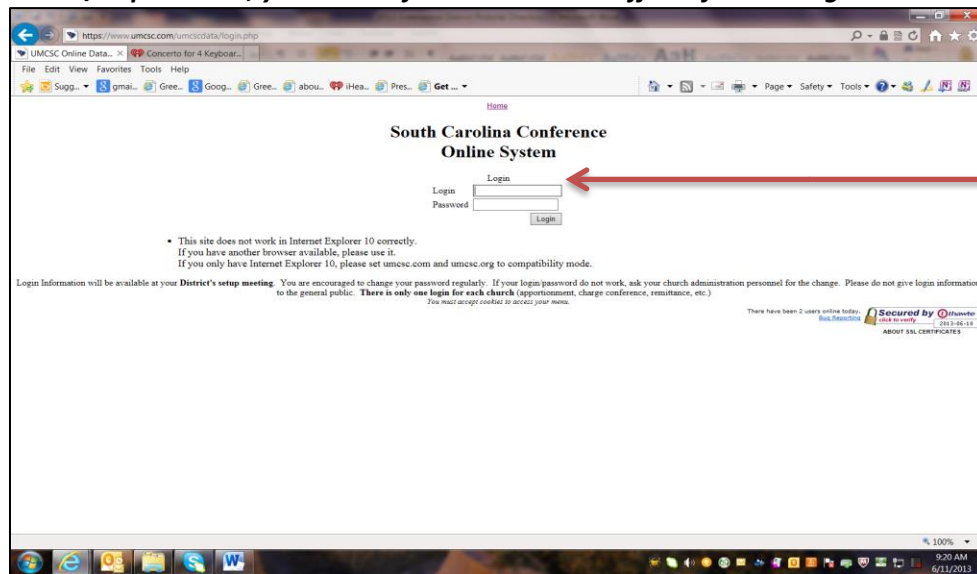

1. Point your browser to the conference web page. <http://www.umcsc.org>
2. On the menu bar, rest your pointer on the link for **Login**.

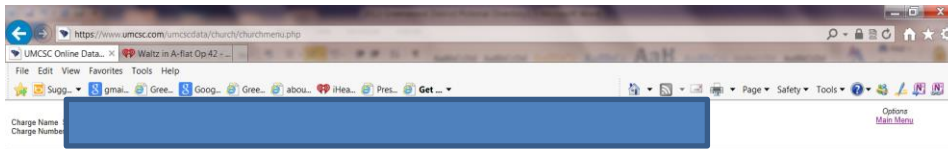

3. You will see a drop-down menu, select **church/pastor login**.

4. On the next screen, enter your church's user ID and password. For those who have a multi-point charge, you must log in for each individual church. If you do not remember your church's user ID and password, contact the District Office. ***If you change your church's user ID and/or password, you must inform the District Office of the change.***

5. On the next page you will find a history of apportionments paid. This is the page you will use to access the **Charge Conference forms**, submit your information online, and then print your reports for Charge Conference.
6. This is also the same screen you will see when updating your church profile.

Church Account
Password
Please change your password; this will help with the security of your church's information. It is advised to change your password occasionally.
Edit Find-A-Church Information
The information contained on the conference's Find-A-Church system for your church. It includes contact phone numbers, additional zipcodes to help visitors in neighboring zipcode areas find your church. Additionally, your church's address and your websites (main site and youth site) and your church's email address.

Forms

CREATED Profiles (click on a Year to edit that Year's Profile) 2012 The church profiles need to be created annually. There can only be one church profile for each calendar year. Choose an existing profile for editing if you are in the same calendar year as one that is already created.

Remittance Report This tool will calculate the total for your church report. The data is not submitted to the Treasurer's Office. It is only saved so that you can reuse the data next time. Please print two copies, one for the conference and one for your church records.

Active Church Leadership This is your church's active lay leadership. The nominations report of the charge conference reports will become the active leadership on January 1 - December 31. Changes or additions to the church's active leadership must be made by your district office.

 - b. If this is your **first time** creating an online profile, then your password will most likely be your email address. If so, then please change your password immediately upon logging in. *(You are encouraged to make a note of this password for future reference.)*
2. Once logged in, you have various options, such as change password, create online profile, etc.
 - a. **Select** create online profile, if this is your first time.
 - b. If you are returning to update your profile, click on the date and you will be taken to your profile. *(Your profile will contain the information you submitted last year.)*
3. To update each section, click on the pencil icon at the beginning of each section.
4. Once you press “Enter” or click on “submit” your information for that question is automatically saved.
5. **It is imperative that every question be answered to the fullest extent.**
6. **If you do not have a picture on your profile, you may upload one to your profile.** Directions are online; however, if you need assistance with this, please contact Martha in the district office (864-223-2650 or gwdist@umcsc.org).

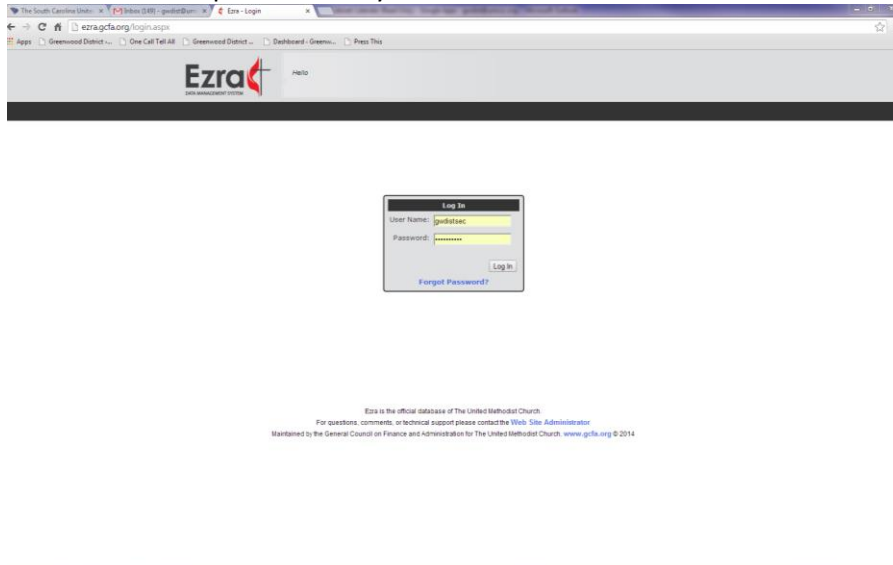

We recommend that the profiles be updated as part of completing Charge Conference reports. Reminders will be made via email, in the newsletters, and online (district web page, district calendar, Facebook, Twitter, LinkedIn, and email). No notices will be sent via USPS.

Tables I, II, and III Annual Church Demographic and Financial Reports

Tables I, II, and III data will be due in early 2021. The exact date will be published as soon as information is received from the Conference Treasurer's Office. *Notices and announcements will be sent via email, district newsletters, district web page, calendar, Facebook, Twitter, LinkedIn as to the deadlines for completing various church reports. **No notices will be sent via USPS.***

Accessing Your Church's EZRA Account

1. Point your browser to <http://ezra.gcfa.org>
2. Enter the user ID and password for your church.

3. Click "Log In"
4. Follow the on-screen directions for entering your data for Tables I, II, and III
5. Please make sure that you **select "Submit"** when all questions have been answered. That is the only way to ensure that your reports are recorded and sent to the Conference Treasurer.
